KENT LUTHERAN CHURCH
LIVES AND CELEBRATES THE ACCEPTING LOVE OF CHRIST

OUR VISION
KENT LUTHERAN CHURCH IS A CHRIST-CENTERED SACRED PLACE
FOR SPIRITUAL, CULTURAL AND COMMUNITY ENRICHMENT.
KENT LUTHERAN CHURCH IS A RIC (RECONCILING IN CHRIST) CONGREGATION.

**WE ARE
BLESSED
TO BE A
BLESSING
TO OTHERS.**

GREETINGS!

We are again at a transition point at KLC, as we have a whole new slate of officers as well as a changeover of several council representatives representing our ministries this year. One of the practices here is to do at least one annual leadership retreat, which I think is a great practice. It gives us the opportunity to get together to “jell” as a leadership team, as well as staking out some direction for the year, as we reflect upon where we are as a faith community, and where God is calling us to go, and how we might most faithfully follow God’s lead, moving forward.

This year, we will be processing the book “Dare to Lead,” by Brene Brown. Here is part of how leadership is described as a basis of the book: “Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas and has the courage to develop that potential. When we dare to lead, we don’t pretend to have the right answers; we stay curious and ask the right questions. We don’t see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don’t avoid difficult conversations and situations; we lean into vulnerability when it’s necessary to do good work.”

To me, this is the healthiest form of leadership. I think it is quite Biblical as well. Jesus never used an authoritarian approach to leadership. He modeled leadership that was grounded in love; caring for one another and empowering those who were often seen as “lesser than.” When we look to the disciples, we don’t see seminary trained, theological geniuses, or college degrees or business leaders. No, we see fishermen and tax collectors. In other words, ordinary people, who came together with one common purpose; to follow Jesus and learn from him.

In the Book of Acts, we learn about the early church, how it was structured and how it strove to faithfully live into the values Jesus had taught them; it was about community; it was about service; it was about relationships, all guided by the Spirit.

The retreat will be led by our Mutual Ministry team, and myself. Please know that the retreat is open to all. I encourage you to attend, as I believe many of you are in leadership roles, even if you are not in an “official” position as such. Here is a link to purchase the book: <https://www.amazon.com/Dare-Lead-Brave-Conversations-Hearts/dp/1785042149> or let Jody know and she will order one for you.

If you are planning to attend, please let the church office or myself know, so any additional resources being used will be in sufficient supply.

Pastor Tormod

GREETINGS AND GOD'S BLESSINGS TO YOU FROM YOUR MISSION SUPPORT TEAM

The pledge drive is complete, and we will give you a summary of the returns in the first week of March. The summary report will include the number of pledges received, the total dollar amount, and the gifts of your time within KLC and beyond with which you replied. It should be interesting reading to see all our planned and dedicated involvement in church work and with organizations beyond the walls of KLC.

Then, along with the Adult Ministries committee and other volunteers, we'll begin to organize and set up for the Easter Prayer Vigil. This will be Vigil #24 in KLC history so it's genuinely part of our church's tradition. There will be times available to come and pray in the narthex and sanctuary and on-line materials and prayer guides for your use. Several people have commented over the years how quickly their prayer time goes by. This is one more opportunity to dedicate some private time with our Lord.

We are very happy to have Eliza Daniel joining our team. She was actually a great help throughout her terms as council president and will add significantly to our proceedings.

HIGHLIGHTS FROM OUR CHURCH COUNCIL

KLC welcomes the new Leadership for our Church Council:

Council President: Lavina Brenneke

Vice President: Nancy Lunden

Secretary: Jim Funfar

Council Representatives:

Adult Ministries: Ruth Boaz

Youth & Family: Michelle McCormick

Outreach: Julie Taylor

Social Concerns: Rick Vandermay

The council is focusing on an efficient and organized way to communicate with each other and the congregation. It is important to them that nothing falls through the cracks. They are looking forward to a year of improved productivity and action so communication will play an important role.

Finances weigh heavy on their minds and will be a regular topic of discussion to brainstorm with the FAB committee for strategies to keep us in the black.

Look forward to a Council planned Special Coffee Hour on Easter Sunday and a Leadership retreat in April.

Council must consider many issues and requests among them being the need for an updated projection system in the Sanctuary, endless areas of maintenance around the church, and supporting all our ministries. Please pray for them for wisdom, God's guidance, and loving support from the KLC Congregation.

DON'S PLACE OPEN HOUSE

Several of us from the congregation went to the Open House at Don's Place on Monday, January 29th. There were about 200 people in attendance. Dignitaries from state and local government were there touting the praises of this residence. Governor Inslee, King County Representative Del Constantine was there along with key personnel from Compass Housing Alliance, Mayor Backus, and Auburn School Board personnel. A member of the Muckleshoot Tribe opened the ceremony by giving a Native American blessing that was very meaningful.

"Safety, caring, and nurturing", were three words that popped up frequently during the presentations. "Grow to where you want to be", was another phrase they used.

Right now, there are 26 residents at Don's Place. They are hoping to have around 50 in the next 30 days. Don's Place has 81 units, 65% of the referrals for Don's Place live in or near Auburn. What really impressed me is they have a staff person there 24/7 for each floor to handle anxiety issues, or just to lend a listening ear if there is a concern with a resident. They provide three meals a day. They also have a game room that also serves as a classroom. Classroom topics could include financial issues, career planning issues, behavioral health issues, etc.

Don's Place has rooms for men, women, or couples; no children.

Kent Lutheran will continue to provide toiletries to the residents as they move in or they move out to more permanent housing.

EASTER DINNER FOR ECEAP FAMILIES

This year Social Concern is asking the congregation to support ECEAP families by donating grocery store gift cards or money (social concerns will buy the Gift cards). There are approximately 40 families.

You can donate by:

- Putting money or gift cards in the collection plate on Sundays and note it's for ECEAP
- Mailing money or gift cards to the church office and identifying it's for ECEAP
- Use the donate button on the KLC website. Put your donation amount in OTHER and in the comment field type ECEAP

Donations need to be received by Sunday, March 24, 2024

A short history:

Social Concerns has organized this event to support ECEAP families for many years. Pre pandemic we asked for food and a nominal gift card for perishable items. When the pandemic hit we switched to asking only for gift cards. Even though the pandemic is considered to be over we are going to continue to give ECEAP families grocery store gift cards. Our thinking is that the ECEAP families are ethnically and culturally diverse and giving them food items that we would buy for our own Easter dinner may not be what they would buy if they had a choice. Giving them a grocery store gift card allows them to buy the food they prefer.

Thank you for your support of our Kent neighborhood Community.

If you have questions or concerns, please talk to a member of the Social Concerns committee: Lanny Gleason, Mona Lee, Jenny Morton, Rick Vandermay and Kathy Nixon.

LENTEN SOUP SUPPERS ARE BACK ON!

The famous KLC Lent Soup Supper has been successfully launched! The first of these took place on Wednesday, February 21 and will continue to grace the Fellowship Hall every Wednesday through March 20 for a total of 5 suppers. The first supper attracted 25 people and 7 soups each one possessing its own unique deliciousness!

Once the group was seated with their soup, Pastor Tormod introduced the study for the Wednesday gatherings. After viewing a portion of the video, the discussion commenced.

It was a lovely and fulfilling evening and everyone was home before 8:00PM.

Do consider joining in for a delightful meal and good, honest conversation:

Every Wednesday

5:30-7:30 PM

Bring yourself, your family, and a good appetite!

HOLY WEEK PASSION/PALM SUNDAY

The Palm/Passion Sunday service on March 24, is going back to a practice we haven't participated in for several years now. We will be starting in the Fellowship Hall, where we will pick up our palms to carry with us into the Sanctuary. After a short Welcome and Prayer, we will all process outside and around the building, waving our palms and shouting "Hosanna", coming in through the front doors, going down the center aisle of the sanctuary, and laying down our palms for Jesus at the front of the Sanctuary, then to our seats for the rest of the service. (If that is too much walking for you, you may sit in the Sanctuary and wait for the rest of the congregation while you listen to some organ music.) During the service, we will hear the dramatically read story of the last days of Jesus' life as a human being on earth.

MAUNDY THURSDAY

We will have a Maundy Thursday service on March 28 at 7:00 PM with an emphasis on serving one another re-living the foot washing that Jesus performed for his disciples, reminding us all that we have been called to be servants of God. Communion will be served just as was done with the disciples at the Last Supper.

GOOD FRIDAY

On Good Friday, March 29, we can participate in a contemplative service beginning at 7:30 PM (note the little bit later start time). The Taizé tradition will be the primary means of worship used in this service which leads us in singing short phrases many times over as we think about those words and what they can and do mean in our lives.

PRAYER VIGIL TO EASTER SUNDAY

The Prayer Vigil will start immediately following the Good Friday service and will continue until our Easter morning service on March 31 when once again we can finally say and sing "Alleluia" because we joyfully remember that on the third day after thinking that Jesus had been killed, humanity discovered that he still lives. His ordeal has freed us all from sin, and his love will be with us always.

AND FINALLY!

Easter season continues for 6 more Sundays until May 19, when we recognize the Day of Pentecost (you may wear your red for this day). On this day we celebrate the Holy Spirit as God's presence within and among us. The Spirit arrives in a rushing wind and flame, bringing God's presence to us all. Let us endeavor to hold on to that idea; the presence of God always with and in us, the Spirit whirling around us in a tangle of wind and flame, and the power we have through Jesus Christ to love each other and all our neighbors, to accept diversity without judgement, to be forgiving, and to share the gift of grace we have been blessed with from our loving God.

And the following Sunday we delve into the meaning of the Holy Trinity, which leads us into a whole summer and fall of Pentecost season.

Centering Prayer Group A moment for quiet

Our small and welcoming group meets in person and by Zoom on the 2nd and 4th Saturdays from 10am to 11:30am. We talk, pray, and read and discuss a book. At the moment, our book is *Kitchen Table Wisdom: Stories That Heal*, by Rachel Naomi Remen, M.D. We'd love for you to join us!

GALLERY ORGAN FEATURED IN INTERNATIONAL JOURNAL

THE DIAPASON is an international journal devoted to the organ, harpsichord, carillon, and church music. It has been in circulation for more than 100 years. A recent issue featured a picture-story of our Gallery Organ.

“The gallery organ, completed in December 2022, represents the first substantive milestone toward the completion of the “Kent Grand Organ” project. This instrument comprises twenty-one ranks, 1,290 pipes, and one tuned percussion. The symphonic tonal inclination, a rarity in the Pacific Northwest, is an extension of the tonal fabric of the main organ still in progress that will sit in the front of the church.

The mechanical framework honors the legacy of the eminent Seattle-area firm, Balcom & Vaughan, with the reuse of rebuilt windchests and pipework from many nineteenth and twentieth-century organ builders in the many colorful sounds available.

A console originally constructed by G. Harold Kieffer for a practice instrument at the University of Washington was completely rebuilt and reconfigured from a tilting tab design to draw-knob control and retains the original ivory keyboards. The gallery organ will be a floating division represented as selected stops at the three-manual and pedal master console to be installed in the chancel.”

Marceau & Associates Pipe Organ Builders, Inc. is currently completing the console for the Chancel Organ. The Kent Grand Organ Board of Directors is working closely with them to resolve supplier and supply chain challenges that have affected the final completion schedule of this Chancel part of the Organ.

Dear Kent Lutheran Church,

Thank you for your faithful support of Faith Action Network in 2023 with your **total donation(s) of \$1,000.00**. You helped FAN reach out across the state to do the work of justice and connect in person at local cluster meetings, Interfaith Advocacy Days, regional gatherings, and the Annual Dinner, and through regular email and actions.

We are grateful for your partnership in our mission and your help in moving forward with hope. Together as FAN, we are making our communities more equitable, healthier places to live.

Dear Kent Lutheran Church,
Thank you very much for your generous gift to Holden Village! YOU make the programs and daily operations of the Village possible.
Winter holiday festivities seem far behind us and, yet, spring still feels so far away. Though our groundhog-emulating Mayor declared the early arrival of budding blossoms and critters stirring from hibernation, the massive roofalanche snowdrifts remind us we are truly in the heart of winter, journeying through this contemplative time together.

Looking forward, we know this time of winter will end. With registration open and filling up, summer will soon crest the horizon. We have confirmed eager faculty and musicians for what is sure to be an excellent slate of summer programming. Your support helps Holden Village live into our mission to welcome all people into the wilderness to form and renew their relationships with God, the earth and each other.
Best wishes-we are glad you are part our community!

“GIVE TO CAESAR WHAT IS CAESAR’S AND TO GOD WHAT IS GOD’S

FAB

Jesus’s dialogue with the Pharisees about taxes, documented in Matthew chapter 22, results in this memorable quotation. And the apostle Paul, in Romans chapter 13, amplifies this message. Christians know everything we have ultimately belongs to God, and we are stewards of what God has blessed us (“Blessed to be a Blessing”)... Taxes are intended to enable the beneficial running of society. Paying taxes is the duty of a citizen, and Christians are repeatedly called to be good citizens. Reducing our tax burden in this life should have as its goal investing in God’s kingdom... We are free to take every legal tax deduction available. We do not have to pay the maximum amount of taxes possible. Every year tax laws change, and it can be hard to keep up with what could be helpful... This series of articles in the KLC quarterly are intended to help our members be aware of tax break opportunities and is not professional advice. If a writing seems to fit your situation, we suggest you seek help. We have tax preparers in our midst that can help you explore a possible opportunity.

If you are a homeowner, you have probably received your property tax bill in the last few weeks. For those who were 61 years old as of December 31, 2023, or disabled by that date, the limit for the King County senior property tax exemption has increased to \$84,000. If you live in Pierce County, their program limit is \$64,000. With the allowable deductions, your income could be several thousand dollars higher. There are three different income levels. Also, your assessed valuation is frozen at current amounts at all income levels. At the lowest level, \$60,000, up to 60% of taxes plus taxes from levies and bonds can be exempted. For those who had wages during the year, you could open or add to a traditional IRA until April 15 to reduce your income to qualify for one of the income levels. If you believe this is something you are interested in, the link to information on income and deductions and an application is:
